

FUNDRAISING SOFTWARE FEATURES

Our Fundraising Software provides a comprehensive solution. From event planning to online fundraising, OneCause is a one-stop shop.

Access your data and manage all of your fundraising activities with OneCause year round. Hold an online auction, sell tickets to an upcoming event, run a gala or golf outing, manage an online store or simply collect donations online.

Multiple Fundraising Opportunities

Quickly view a list of your events and campaigns, compare them side-by-side and start a new one with the click of a button.

Easily add our industry leading OneCause Mobile Bidding to any event.

Efficiently create events and online websites to support your total fundraising calendar.

- Specify table names
- Assign table captains
- Set table priorities
- Monitor seats filled, remaining and oversold
- Generate table assignments and summary reports
- Allow ticket purchasers to set seating preference
- Easily reseat supporters if needed using seating wizard

“With OneCause, everything is in one place. You aren’t looking at a million spreadsheets. You aren’t looking to find who purchased this, that, or the other. The manual process is removed for us and the time spent in long lines was eliminated for the bidders. It helped our team make everything so much easier.”

BRANDI PURCELL, MANAGER OF SPECIAL EVENTS, WILMINGTON UNIVERSITY
