

SMARTPAY® ANYWHERE

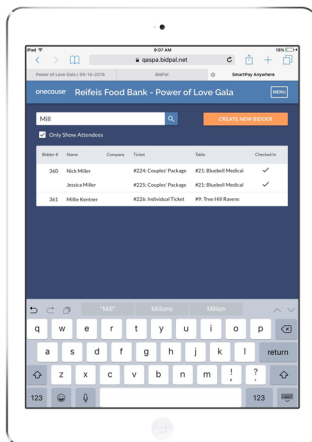

Mobilize your payments, maximize your revenue

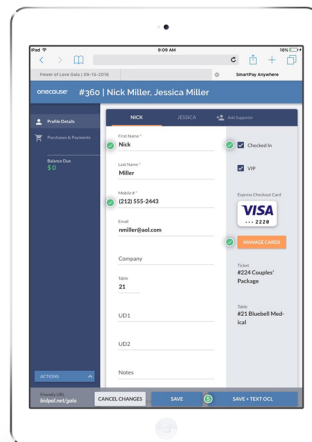

Offering an award winning registration, checkout, and payment processing software. Features include:

- ✓ Pre-register credit cards to expedite registration
- ✓ Provide express and mobile checkout options
- ✓ Quickly manage payments in one location
- ✓ Track check-in and checkout status
- ✓ Batch and process transactions in real-time
- ✓ Ability to add or void transactions
- ✓ Easily reconcile payments and email receipts
- ✓ Expedite item pickup with item tracking

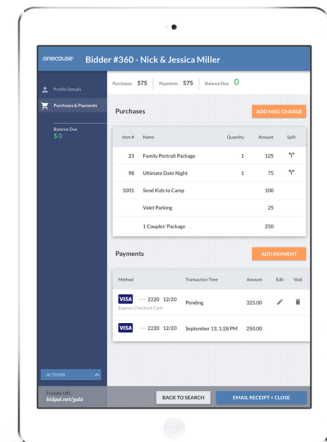

How it works

1 Search or create a new record.

2 Collect guest and express checkout information.

3 Update credit card and easily split payments.

I didn't think OneCause could get any simpler until we used SmartPay Anywhere. Our volunteers loved how easy and intuitive it was. As the co-chair it gave me the flexibility to use my iPad and help guests on the fly.
